## A HOT GAME.

Amateurs Contend for the Championship of the World.

There was a hot game of ten pins at the Coliseum Bowling Alley Saturday night between the semi-professional Roswell Record team and the semi-professional Clerks' team for amateur championship of the world and a box of cigars.

The Record boys made the clerks look like thirty cents. In three games they came out 165 pins ahead of the clerks. There were several rooters for the clerks, and the printers had only one lonely booster—but really they did not need any rooting.

The line-up was as follows:  
Clerks—Hinson, Malone, Davidson, Davis.

Printers—Cooper, Purcell, Thompson, McClung.

Another game will be played next Saturday night, and as no admission will be charged the Coliseum will likely be crowded with spectators. There were several ladies present at the first game, but they did not line up for either side.

### Riley Kirk Promoted.

E. J. DeArcy, the Western Union operator at the uptown office, received a message yesterday from headquarters instructing him to appoint a clerk with a salary to begin with of \$25 per month. He appointed Riley Kirk, who has been the messenger boy since Thanksgiving, and then appointed Will Rountree to succeed him as messenger boy. This is a fitting recognition of the services that this 15 year old boy Riley Kirk has rendered since he has been in the service of the company. He is energetic, painstaking and honest, and is entitled to the promotion he has received. The boy is naturally proud of his new position. Yesterday he said to a Record representative, "I'm not going to bring any more press dispatches to the office for you—I'm clerk now," and he proudly held up the message from headquarters. He presents an example of what an eastern lad of industry can accomplish in the land of manana.

## COLORADO DEMOCRATS.

A Fight May Occur Over the Endorsement of Hearst.

Pueblo, Colo., June 7.—The state Democratic convention to select ten delegates to the national convention at St. Louis met here at ten o'clock this morning. In all probability the delegation will be unopposed, but considerable Hearst sympathy is manifested and a fight may occur over the endorsement of Hearst. Chas. J. Hughes, Jr., of Denver, is temporary chairman, and Milton Smith of Denver will be permanent chairman. The delegates agreed upon at last night's caucus are former governor Charles S. Thomas, Chas. J. Hughes, Jr., Senator H. M. Teller, H. E. Insley, State Senator Charles B. Ward, former governor Alva Adams, Judge J. H. Voorhees, Judge W. P. Seeds, Geo. E. West, and J. H. Robeson or Judge Theron Stevens.

A resolution was adopted by the caucus strongly denouncing the outrage at Cripple Creek yesterday.

Joe F. Page, of the Coliseum bowling alley, wants it understood that he is not the only sucker in Roswell who loaned H. Porter Phillips money before he skipped out. Phillips was a smooth article, and secured nearly \$100 the day before he left in cash and on notes at the bank. He secured two twenty-five dollar notes and several small loans from \$3 to \$15. Some of the money, it is alleged, was secured under false pretenses, and there is talk of having him brought back and prosecuted.

### Rev. Marsh Dead.

Mrs. G. A. Purviance received news on the 4th of the death of her father Rev. Caleb Marsh of San Antonio, Texas. He is well known to all the old settlers here, as he was the first preacher in the Pecos Valley, coming here in the eighties. He married 68 couples and preached 131 sermons in Roswell. He was 85 years of age.

**WANTED.**—Information as to the address of Joseph N. George and Wallace N. March, or of their heirs if dead. They formerly lived in or near Roswell. Small recovery can be made for the said parties. Address Harvey Spalding & Sons, at Washington, D. C. 844\*

### Houses Close In.

Why don't you list these houses with us.

We have renters for them every day.

We can fill them for you.

—Carlton & Roach.

Say, Jim, there wasn't any fight in the Oklahoma block yesterday.

Wasn't?  
No, those people were crowding in there to see Carlton & Roach about some special bargains in real estate. It's that way every day.

Tis?  
"Shure Sallie."

## A REIGN OF TERROR

Assassination of Non-Union Miners Starts Rioting and Blood Shed in Colorado City.

## THE PEOPLE TAKE CHARGE

Union County Officers Forced to Resign And Are Locked Up—A Fatal Fight At Union Hall in Victor—Deputies Armed With Rifles Scouring The Hills For Union Men, And Will Escort Them To The County Limits—Union Stores Are Wrecked And The Stock Destroyed—Mine Owners Association Says It Will "Purge The District."

Denver, Colo., (Bulletin, 4:00 p. m.) June 7.—Acting Governor Hagget has declared martial law in Telluride county. Enough troops will be sent to restore and maintain order.

Victor, Colo., June 7.—The excitement was at a high pitch last night although no sensational incidents occurred after the riot of the afternoon. From dark to dawn the principal streets were almost as crowded as they were during the day by thousands of men and women, who assembled from all parts of the camp in the belief that the darkness would invite further bloodshed. Their expectations, however, proved groundless. Aside from the occasional arrest of a union agitator and an occasional shot from some dark secluded spot in the foothills, the night passed quietly. All night, however, the delegates agreed upon at last night's caucus are former governor Charles S. Thomas, Chas. J. Hughes, Jr., Senator H. M. Teller, H. E. Insley, State Senator Charles B. Ward, former governor Alva Adams, Judge J. H. Voorhees, Judge W. P. Seeds, Geo. E. West, and J. H. Robeson or Judge Theron Stevens.

Joe F. Page, of the Coliseum bowling alley, wants it understood that he is not the only sucker in Roswell who loaned H. Porter Phillips money before he skipped out. Phillips was a smooth article, and secured nearly \$100 the day before he left in cash and on notes at the bank. He secured two twenty-five dollar notes and several small loans from \$3 to \$15. Some of the money, it is alleged, was secured under false pretenses, and there is talk of having him brought back and prosecuted.

Killed—Roxie McGee, John Davis. Wounded—J. A. Reed, Joe Fundlay, Fire Chief Murphy, Peter Chrisman, Fred Chrisman, Peter Calderwood, Arthur Parker, James McKelvey.

A thoroughly organized vigilance committee composed of the mine owners and their employees and sympathizers has taken charge of the government of Teller county, and large bodies of armed men are patrolling the district. These men are acting under the orders of Edward Bell, the new sheriff, who is a large property owner and outspoken opponent of the miners' union. Sheriff Henry M. Robertson resigned yesterday afternoon under the compulsion of the mine owners' association. The first act of Sheriff Bell who was appointed by the county commissioners was to remove Sheriff Burton. Then he appointed 25 deputies, to which force he has since made large additions, and later he disarmed the union officers who had been appointed by City Marshal O'Connell of Victor. Meanwhile O'Connell had visited the mine owners' headquarters in which about 30 armed men were assembled and demanded that they surrender their arms to him. He was forcibly ejected and after being deposed from office by Mayor French, was arrested. Many other chosen peace officers of various towns in the district have also been deposed and some of them locked up.

The sentiment of the mine owners, as expressed by C. C. Hamlin, secretary of the association, is that all union miners must be driven from the camp. His declaration that the time had come to "purge the district" started the rioting yesterday afternoon

Sheriff Robertson in resigning, and Hall will hold the inquest over the murdered miners.

Colorado Springs, June 7.—A special dispatch from Cripple Creek says: "A posse of 300 deputy sheriffs armed with rifles and revolvers is now scouring the hills of the Cripple Creek district with the object of rounding up every union man and every loafer in camp. When found they will be escorted to the county line and warned never to return. The union men are also well armed and will resist attempts at deportation. Many of them are desperate, and serious trouble is liable to occur at any moment."

Denver, Colo., June 7.—The convention of the Western Federation of miners today delegated to the executive committee the full charge of the Colorado situation, both political and otherwise, with instructions to use their best judgment in the fall campaign. A telegram was received from Eugene V. Debs, saying: "The enemy is desperate. You are on top Stand pat." The convention will probably elect officers and wind up its business tomorrow.

Victor, Colo., (noon) June 7.—The situation grows more intense. Though a recurrence of yesterday's experience is not expected. Nearly all the union miners have been disarmed, and the feeling against them is very bitter. There are now 200 union miners in the bull pen and others are being rounded up. The sheriff, military authorities and mine owners openly state that a wholesale deportation of union miners will occur, although they will not state when. It is believed all the leaders who are being held will be sent out tonight with a warning not to return.

Cripple Creek, Colo., June 7.—The streets are filling up with people and the excitement is becoming intense. Two thousand people are congregated at Second and Bennett avenues, the Citizens' Alliance headquarters, for a mass meeting to be addressed by miners and business men, and armed squads are searching for several men. Lynching is again freely talked of and every man is a walking arsenal. All the mines are closed and will be till after the inquest.

### Twenty-Five Dollars Reward.

Joe F. Page, of the Coliseum Bowling alley, offers \$25 for any one who makes a score of three hundred in ten-pins, which is the highest score possible. It has been made, but never in New Mexico. Here is a chance for some one to establish a new record in the Territory.

### School District Election.

Yesterday an election was held in school district No. 4, and the following directors were elected: Pat Boon, Judge Poage, and J. R. Alston.

### Election Today.

The election is passing off very quietly in Precinct No. 7 today. Tom Davenport is having it about his own way for constable, and W. S. Moore and J. B. Bailey are opposing candidates for Justice of the Peace.

### Director's Meeting.

There will be a meeting of the directors of the Jerry Simpson Mining Co. on Tuesday, June 14, at the office of Simpson & DeFreest.

D. J. Young, wife and two daughters from Ft. Smith, Ark., are here stopping at the Shelby. The Youngs are old friends of Clarence Ullery.

It's a sight to see how the people do flock

To Room No. 7, in the Oklahoma block.

They are there every day, both early and late.

Considering choice bargains in real estate.

And when they buy of the boys, as they really should,

Carlton & Roach just deliver the goods.

Do you appreciate the power of your dollar? If you do you will doubly appreciate the power of same if you attend the great coat sale at the Famous. Dollars working overtime there now. Phil Denitz is in charge and everything going at eastern cost.

## AN AMERICAN KILLED.

Russian Troops are Retiring in Every Direction.

New Chwang, June 7.—A private telegram from Shan Hai Kwan says that Lewis Etzli, a correspondent of the London Telegraph, and Ernest Brindle of the London Mail, were fired upon by Chinese soldiers while in a junk between Shantaitse and Erko. Etzli was killed, but Brindle is believed to be safe. Etzli was a native of Pennsylvania.

U. S. Consul General Miller has left here on a special train for the scene of the killing of Lewis Etzli of Butler, Pa., correspondent of the London Daily Telegraph, who was shot by Chinese soldiers. The consul will make a personal investigation of the death of Etzli.

Denver, Colo., June 7.—Anna B. Etzli, a stenographer living in this city with her mother and sister, received a cablegram today announcing the death of her brother Lewis Etzli, a newspaper correspondent who was fired upon in a junk and killed by Chinese soldiers. He was the son of Gabriel Etzli, who died several years ago in this city. The dead correspondent was 36 years old. He left home about ten years ago.

Tokio, June 7.—Supplementary reports from the blockading force indicate that the Russian gunboat which was sunk by a torpedo off Port Arthur Saturday was of the Gremiaschi type instead of the Giliak class. It is reported that when the Russians abandoned Taku Kaow they poisoned the water sources. Admiral Katoka is investigating the charge.

## CARVED TO PIECES.

Mexican Sheep Shearers Have a Fight that May Result Fatally.

Two unknown Mexican sheep shearers had a quarrel in the Green Front saloon last night at about three o'clock which resulted in a fight at the rear of the saloon and one of them was literally carved to pieces. Had he been other than a Mexican the injured man would have expired instantly, but he is still alive. No hopes are entertained for his recovery. His assailant escaped and has not been captured. The only trace of him the officers have is as far as the back door of the saloon. The officers scoured the country for the man last night, but found no clue. The Mexicans were strangers in the city and came in for a spree from one of the sheep camps.

## FOURTH OF JULY.

Does Roswell Desire to Celebrate? If So, Action Must Be Taken.

All citizens and business men who desire to see a celebration of the Fourth of July, are requested to meet at the court house Thursday evening at 7:30 o'clock to consider the advisability of having a Fourth of July celebration.

### Off to Chicago.

The following teachers left this morning for Chicago to take a summer course in the University of Chicago: Superintendent J. F. Stillwell, Professor J. M. Powell, Misses Lorette Winston, Alda Smith, Alma McConnell and Grace Lewis.

Professor Powell will stop at Odesa, Missouri, to visit his parents, and will also attend the World's Fair at St. Louis before entering the University.

Miss McConnell was accompanied by her mother and sister who will stop at Mexico, Mo., to spend the summer with relatives. With the exception of Prof. Powell all the teachers will go direct to Chicago.
